

Teknic Electric (I) Private Limited, Product Modification Notice Appearance change for Buzzer Lens

Description of change:

The top surface appearance of the LED buzzer lens has been changed to improve the ingress protection.

OLD BUZZER LENS

NEW BUZZER LENS

Impact of change:

Overall function & dimensions remains the same. The appearance of the LED buzzer lens has been changed to improve the ingress protection from IP30 to IP40.

Reason for change:

IP40 offers a better ingress protection.

IP30 offers limited protection against solid objects greater than 2.5 mm in diameter whereas IP40 offers limited protection against solid objects greater than 1 mm in diameter.

Scope of change:

It applies to all colors of **3PLBRXL BZ ZZZ-SH** Pilot Light

Effective date of Implementation:

10th June 2024
